INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
WITH INVESTMENT GUIDELINES FOR PUBLIC AUTHORITIES

To the Board of Directors
Schoharie County Industrial Development Agency
Cobleskill, New York

We have examined the Schoharie County Industrial Development Agency's (the "IDA"), compliance with Section 2925(3) of the New York State Public Authorities Law and Part 201 of Title Two of the New York Code of Rules and Regulations during the year ended June 30, 2017. Management is responsible for the IDA's compliance with those requirements. Our responsibility is to express an opinion on the IDA's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagement contained in *Government Auditing Standards* issued by the Comptroller General of the United States and, accordingly, included examining, on a test basis, evidence supporting the IDA's compliance with those requirements and performing such other procedures we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the IDA's compliance with specific requirements.

In our opinion, the IDA has not complied, in all material respects, with the aforementioned requirements during the year ended June 30, 2017. During our audit, we noted that the IDA had not recorded all of the interest income on certificates of deposit with various financial institutions.

This report is intended solely for the information and use of the Board of Directors, management, and certain New York State Departments and Agencies. It is not intended to be and should not be used by anyone other than those specified parties.
